Corona Virus Information from the Carson City School District

Carson City, Nev. (March 6, 2020) – Carson City School District wishes to assure all families that they are in daily communication with the local, state and national health authorities on the status of the Corona Virus (COVID-19).

The school district has a Pandemic Response Plan which is supported by the Carson City Health & Human Services Department. The plan includes prevention efforts, surveillance of student and staff illness, communications, continuity of learning and coordination with local services.

The school district will notify the school community should a case of the virus be detected in our schools. We encourage all members of the Carson City community to closely monitor the following resources for updates on COVID-19:

ABOUT Carson City School District

Located in Nevada's capital, Carson City School District offers public education to approximately 7,800 students throughout Carson City. The district includes 6 elementary schools, 2 middle schools, 1 alternative high school and 1 comprehensive high school. Carson City School District boasts many successes including impressive graduation rates, strict safety measures, programs for gifted students and advanced-placement classes, among several others. In a joint venture with Western Nevada College, the Carson City School District Jump Start College program allows students to complete their senior year of high school and freshman year of college simultaneously.
